

Establish your LLC in the United States with FREE TAX ADVISORS

The United States is one of the most attractive destinations for entrepreneurs, investors, and businesses worldwide thanks to its robust economy, pro-business environment, and reliable legal framework. At **FREE TAX ADVISORS**, we specialize in facilitating the formation of **LLCs (Limited Liability Companies)** in the main U.S. states, guiding you step by step so your company operates efficiently, legally, and competitively from day one.

Why Choose the United States for Your Business?

1. Tax and Legal Advantages

- **Limited Liability** : Protects the personal assets of the owners against business debts or litigation.
- **Flexible Taxation** : An LLC can be taxed as a sole proprietorship, partnership, or corporation, depending on what is most tax-efficient for it.
- **No residency required** : Non-residents can form an LLC without needing to live in the U.S.

2. Business Freedom and Access to Markets

- **Ease of doing business** : Simple, fast and transparent processes for incorporation and operation.
- **Global access** : Having a company registered in the U.S. builds trust internationally.
- **International banking and payments** : Access to bank accounts in dollars and payment platforms such as Stripe, PayPal or Amazon.

3. Infrastructure and Stable Regulation

- **Solid legal system** : Protection of contracts, intellectual property and clear regulatory compliance.
- **Digital environment** : The entire process can be carried out remotely, without the need for physical presence.
